

Tournament Descriptions

All tournament payouts will vary from year to year based on number of members and tournament budget. Please see rules sheet on the day of the event to see actual payouts.

Draw events-

The tournament is based on handicaps. The computer will draw the team (two or four person) based on handicap so the teams are as equal as possible.

Stagon Cup-

This tournament is our Match Play Championship. The Qualifier will be played in Early May. The players will be determined by the best 8 Gross and the next 23 Net from the weekend scores. The champion from the 2005 season will receive the number 1 seed.

Club Championship-

The Club Championship is a 36 Hole event played over one weekend. There will be a cut after 18 holes depending on number of participants. The flights for the championship are predetermined. Championship flight will play the blue tee all other flights will play the white tee. Championship and A-Flight will compete gross. All other flights will compete net.

President's Cup-

The President's Cup is a net championship. The winner will be determined by an 18 hole net score on one day.

Senior Club Championship-

The Senior Championship is an 18 Hole individual event. The senior champion will be determined by the low gross for the 18 holes. There will be 3 flights determined by age.

Ages 50- 59	Senior Flight
Ages 60-69	Super Senior
Ages 70+	Legends

Individual-

This is an individual gross and net event. Gross hole-by-hole score is recorded and an 18 hole total added. At the completion of the round, each player's full handicap is deducted from the gross total for the net score.

Individual Flights-

This tournament is an individual tournament in which the field is broken into 4 equal flights. The Flights are determined by handicap index. The field will be divided equally.

The payout for this tournament will be 3 gross and 3 net in each flight.

Beat the Pro-

This is an individual event. *There is no tournament money set aside for this tournament.*

The golf professional will play sometime the week of the event. The member's can wager up to \$20.00 against the pro's score. The pro's score and the player's score will be done on a net basis. If the member's score is less than the pro's the member will win double his money in pro-shop credit. Tie scores will go to the club professional.

Blind Holes-

This is an individual event. Nine holes will be drawn at random. We will draw two par three's, two par five's, and five par four's. The tournament will be scored both gross and net.

Modified Stableford-

An individual gross/net tournament based on points attributed to the player's hole-by-hole scores. Players should record their hole-by-hole gross score on their scorecard. The calculation of points will be calculated after the round. A list of points will be provided on the day of the event.

Nassau-

This is an individual event. The payout are based on the front, back or total gross and net. The player will be awarded the highest prize possible.

Red-White-Blue-

This is an individual event. The participants will play 6 red tees, 6 white tees and 6 blue tees. Please note on your scorecard which tee was played. Which tee you play will be the decision of the member.

Member-Member-(Best Ball)

This tournament is a two person team event in which both members play their own ball out. The score will be based on the best ball of two gross and net.

Member-Member-(Total Score)

This tournament is a two person team event in which both members play their own ball out. The score will be based on the best ball gross plus the best ball net.

Scramble-

This tournament is a two or four person event. If the tournament is a two person event the handicap will be based on 25% of the player's handicap rounded to the nearest quarter. If the tournament is four players the handicap would be based on 10% unless the tournament is drawn players then the tournament will be scored gross.

All players tee off then the best shot is selected. All players will then play from that spot. The ball must be placed within one club length of the original location selected. You must keep the ball in a like condition (fringe-fringe, rough-rough, and fairway-fairway). Once you have reached the green you must putt from within 6" of the selected ball. Once the ball is holed the hole is over, therefore if a person putts out the hole is over even if there are other teammates left to putt.
