From the Board of the Quarry Ridge Men's Club we would like to thank you for choosing, or returning to, our club. As many of you are aware, we are a very competitive club; every weekend we hold events with monetary payouts (pro shop credit during the season, cash games in off-season) as well as the ability to earn points towards our Player of the Year award.

As competitors we all need to make sure we abide by the Rules of Golf. This means holding ourselves accountable to the Rules in order to protect the integrity of the field. The Quarry Ridge Men's Club will do its very best to ensure that its weekly competitions are fair and equitable. To help us accomplish this, we have established a Grievance Committee to receive and act upon possible rules violations. The Committee consists of The President, the Rules Chairman, The Tournament Chairman and The Head Professional. The Committee has established the following protocol:

- **1st Rules Violation** – investigation by the Grievance Committee. If member(s) in question is found in violation a verbal/written warning will be given.
- **2nd Rules Violation** – investigation by the Grievance Committee. If member(s) in question is found in violation of:
 1. ***The same or similar rule.*** member(s) will be suspended from any (including major events) Men's Club event for 30 days. He (they) will still be able to receive preferred tee times.
 2. ***A different rule.*** written warning and suspension from Men's Club events (including majors) for 14 days. Preferred tee times will still be available.
- **3rd Rules Violation** – investigation by the Grievance committee. If member(s) are found to be in violation, he (they) will be suspended from Men's Club events (including majors) for one calendar year. Member(s) will be able to receive preferred tee times during the suspension.

We are looking forward to an outstanding 2018 season and thank you again for your continued patronage and support of the best men's club in the state!

By signing this application you agree to all the rules imposed by the Quarry Ridge Men's Club, Inc. To qualify for the Club Championship you must play in a minimum of five (5) sanctioned events.
