Pace of play has been problems in the past- please play provisional balls frequently. We have to keep up with the groups in front. Please do not allow more than 15 minutes per hole. That is a pace of 4 Hours and 30 minutes. Please finish out and play ready golf.

Tee Times will be drawn by handicap for Saturday August 8th and will be set based on your finish from Saturday's Round. Unfortunately due to this procedure time accommodations cannot be met.

When a ruling cannot be made on the golf course, a second ball should be played & noted on the scorecard. The rules committee or club professional will clarify ruling at end of round.

For everybody's enjoyment of this major event please move along.

Good Luck-

John Lucas, Jr.
